

## SERVICES PROVIDED

### **Our claims service solution is simple: One Claim, One Team**

Your company is unique and so is MD Claims Group. We provide a broad base of services with professionals having experience from the carrier, broker and the independent side of the claims adjusting business. By working closely with clients and listening to their unique service requirements, we deliver our One Team daily claim service solutions that help reduce costs and increase efficiency in claim handling. We build on many years of understanding agency challenges and opportunities, and we respond by remaining aligned with the best principles and practices of claim handling in our industry.
